PROFILE

Passionate and experienced Frontend Developer with a strong foundation in UI/UX design, adept at creating visually stunning and user-friendly interfaces. Proficient in HTML, CSS, JavaScript, and modern frameworks such as React, I excel in translating complex requirements into engaging and intuitive digital experiences. With a keen eye for detail and a commitment to staying updated with the latest industry trends, I am dedicated to delivering high-quality, responsive, and accessible web applications.

EXPERIENCE

UI/UX Intern at Cognifyz Technologies
MAY 2024 - Present
Developed and executed successful social media campaigns across multiple platforms to increase brand awareness and drive traffic to the company's website. Managed and grew the company's social media accounts by creating engaging content, monitoring analytics, and implementing social media best practices. Collaborated with cross-functional teams to develop and execute integrated marketing campaigns that leveraged social media to meet business objectives.

Web development and designing Intern at Oasis Infobyte
MAY 2024 - Present
Led the development and implementation of the company's digital marketing strategy, including social media marketing, email marketing, and paid advertising. Analyzed and reported on the performance of digital marketing campaigns, using data-driven insights to optimize and improve campaign effectiveness.
